Maintenance :

Please read the following recommendations before using JETE

- Avoid exposing the device to water vapor or humid places. This can affect the internal circuit.
- Do not use cleaning solutions to clean the device.
- Do not expose the device to extreme heat or cold, as this can damage the device or change certain plastic parts.
- Avoid exposing the device to sharp objects, as this can cause scratches and damage.
- Do not disassemble or modify the device.
- Do not drop the device, as this can damage the circuitry.
- Always store the device at room temperature.

How to Warranty Claim JETE Product :

1. All warranty claims can be made at the list of Authorized Outlets listed on the warranty card.
2. Buyers can come to an authorized Outlet or contact Customer Service +62812-1739-3609 if they want to exchange the product online.
3. All expedition shipping costs / product postage are borne by the buyer.
4. When claiming the warranty, the buyer is MANDATORY to show the completeness of the warranty:
 - A purchase receipt that clearly states the name of the outlet and the date of the transaction.
 - The product must still be within the specified warranty period.
 - Warranty card that has been filled out.
 - Box / Packing Product.
5. Please inform the constraints / product damage that occurs to our staff.
6. WARRANTY DOES NOT APPLY if USER DAMAGE is found, namely:
 - BROKEN, CRACKED, BURNED, DROPPED, MODIFIED BY YOURSELF, SUBMERGED IN WATER.
7. If there are problems during warranty claims or other questions, please contact Customer Service +62812-1739-3609.
