Note:

JETE SMART is an application designed to simplify the control of your JETE Smart Home devices.

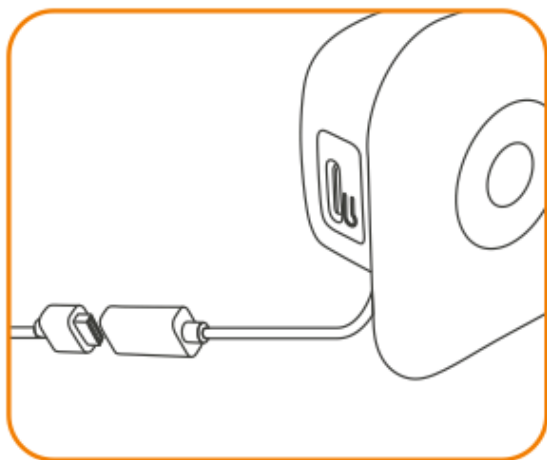

How to Install :

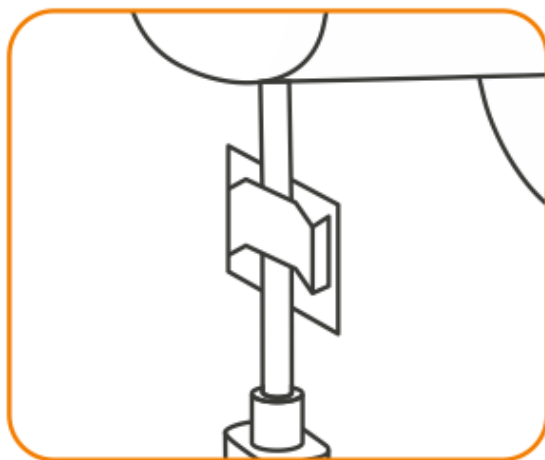

Attach the magnetic sticker to the transparent glass.

Install the CT5 camera and align it with the hole in the magnetic sticker.

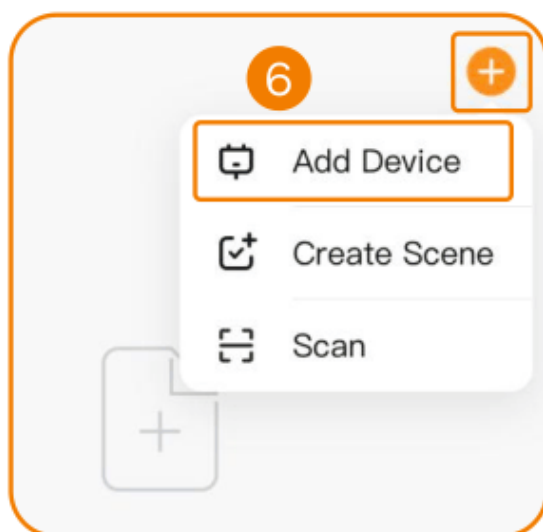

Connect the power cable to the Type-C cable to the power source.

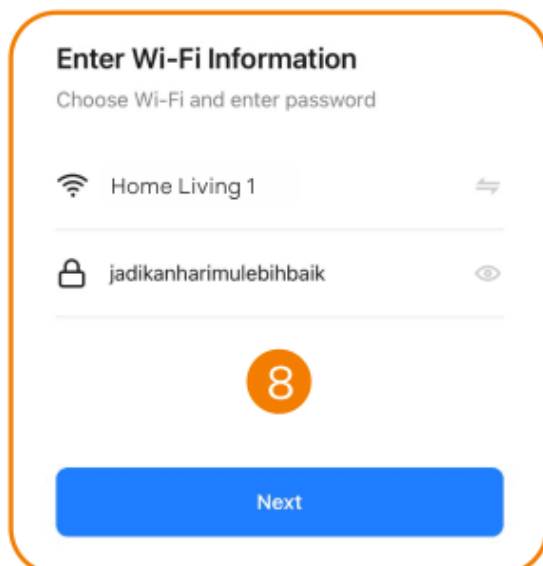

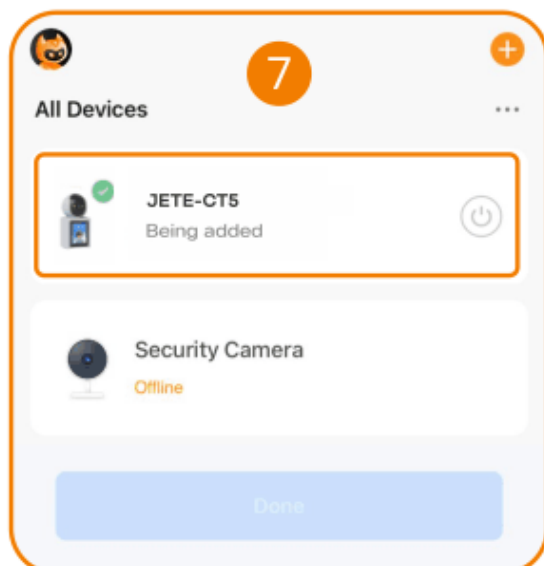

Attach the cable clip to a flat surface and use the cable clip to tidy up.

How to Connect with a Smartphone :

1. Insert a high-speed memory card (Above class 10) and it is recommended to use a memory card with a capacity of 16-256GB.
2. Connect the CT5 to the power source.
3. The camera will turn on, a sound indicator will beep, and the light will flash, indicating the camera is entering pairing mode.
4. Open the JETE SMART application.
5. Activate Bluetooth on your smartphone.
6. Select the "+" icon and choose Add Device.

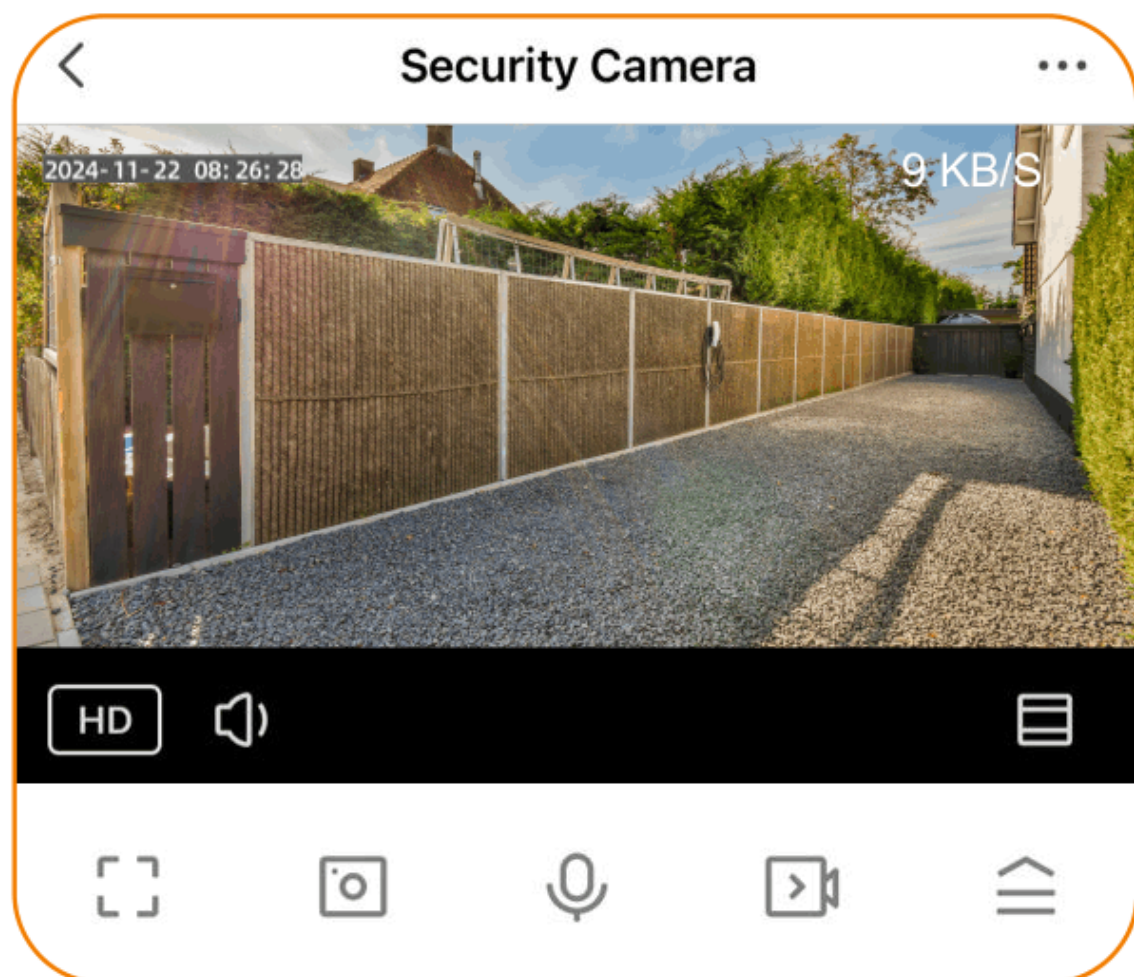

7. Select "JETE-CT5".
8. Enter the WiFi password.

9. The light will stay on, indicating that pairing has been successful.

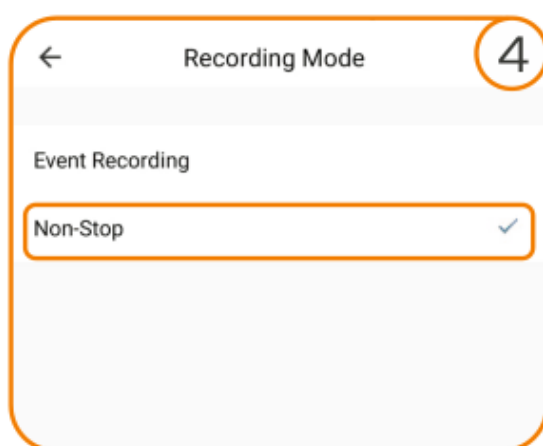

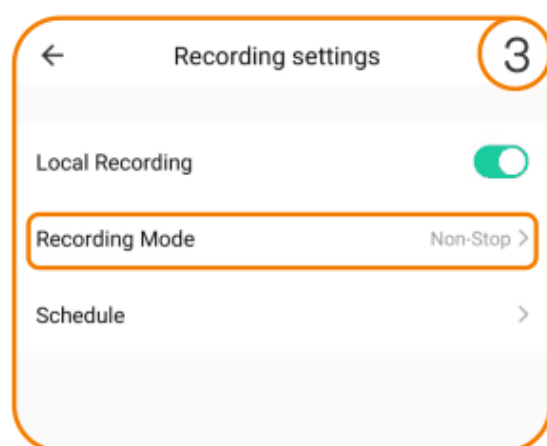

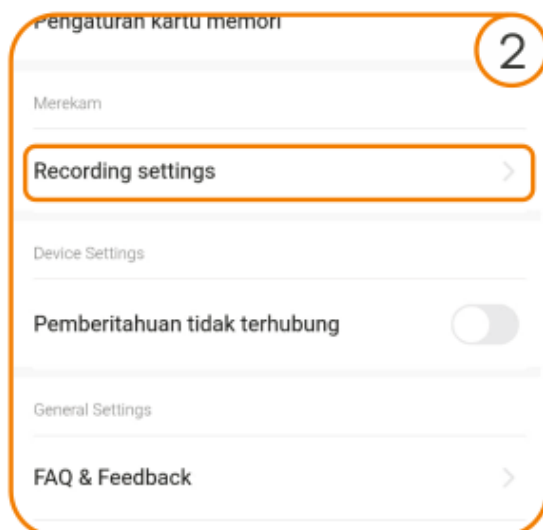

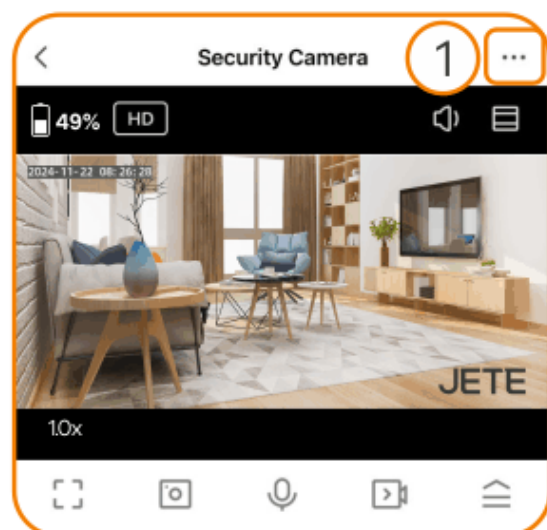

How to Use :

Main icon functions :

	Full screen
	Take / capture screen
	To talk via CCTV
	Start recording in real time
	Change video quality
	Change ratio
	Mute/unmute speaker
